Professional Summary

Motivated MCA student at Jawaharlal Nehru University with a strong foundation in Full Stack Web Development, REST APIs, and core computer science concepts. Experienced in building responsive web applications using the MERN stack, PHP, Flask, PostgreSQL, and MongoDB. Eager to apply software development practices, schema design, and analytical problem-solving to enterprise-level environments. Seeking a Full Stack Developer Internship.

Education

Jawaharlal Nehru University (JNU) <i>Master of Computer Applications (MCA) — Pursuing</i>	New Delhi, India 2025 – 2027
Savitribai Phule Pune University <i>Bachelor of Science in Computer Science</i>	Pune, India 2022 – 2025
Secondary & Higher Secondary Education (GSEB) <i>Higher Secondary Certificate (Class XII) — 2022 • Secondary School Certificate (Class X) — 2020</i>	Gujarat, India

Technical Skills

- **Languages:** C, C++, Java, Python, JavaScript, PHP, SQL
- **Frontend Development:** React.js, HTML5, CSS3, Bootstrap, AJAX, Responsive Web Design
- **Backend & APIs:** Node.js, Express.js, Flask, PHP Core, RESTful API Design
- **Database Management:** MongoDB, PostgreSQL, MySQL, SQLite, Database Normalization
- **Developer Tools:** Git, GitHub, VS Code, Postman API Testing, Vercel, Render
- **Computer Science Core:** Data Structures & Algorithms (DSA), Operating Systems, OOP, Computer Networks

Projects

IRCTC Unified Chart Vacancy Simulator

React.js, Node.js, Express.js, MongoDB

[\[Source Code\]](#)

- **Developed** a full-stack web application to visualize live reservation charts and structural train coach layouts.
- **Implemented** efficient state routines in React.js to manage multi-train search queries dynamically.
- **Designed** database models in MongoDB to handle real-time simulation logic for seat allocations.
- **Integrated** backend endpoints with automated notification logic to track chart preparation status changes.

Society Maintenance Management System

React.js, Node.js, Express.js, MongoDB

[\[Source Code\]](#)

- **Built** a secure role-based administration portal containing distinct workflows for both Admins and Residents.
- **Implemented** secure user authentication using JSON Web Tokens (JWT) to protect sensitive operational endpoints.
- **Designed** structured MongoDB schemas to handle records for maintenance billing, complaints, and visitor logs.

Student Result Management System

HTML5, CSS3, JavaScript, AJAX, PHP, PostgreSQL

[\[Source Code\]](#)

- **Created** a responsive academic portal for securely storing, managing, and calculating student grading metrics.
- **Utilized** AJAX for dynamic data processing, letting users fetch examination results seamlessly without page refreshes.

- **Structured** a 3NF normalized PostgreSQL database schema to maintain high data integrity and enforce strict constraints.

Task Management Web Application

Python, Flask, SQLAlchemy, SQLite

[Source Code]

- **Built** an interactive task tracking layout supporting complete CRUD (Create, Read, Update, Delete) architecture.
- **Managed** reliable session tracking and persistent storage logic via SQLAlchemy ORM abstractions over SQLite.

Relevant Coursework

- | | | |
|--------------------------------|-------------------------------|------------------------|
| • Data Structures & Algorithms | • Database Management Systems | • Operating Systems |
| • Computer Networks | • Object-Oriented Programming | • Software Engineering |

Achievements & Certifications

- **Fundamentals of Full Stack Development:** Completed a 20-hour live training program by ExcelR (Jan 2024).
- **Full Stack Portfolio:** Independently engineered and deployed 4 web applications utilizing diverse relational and non-relational backends.
- **Academic Breadth:** Actively exploring Machine Learning environments and Cloud Deployment workflows within the JNU postgraduate curriculum.

Soft Skills

- | | | |
|--------------------|----------------------|---------------------------|
| • Problem Solving | • Team Collaboration | • Technical Communication |
| • Logical Thinking | • Adaptability | • Fast Learner |

Languages
